- · You can record other appliances as part of your activities.

#### Where were you?

- Record where you were during the activity (e.g. 'at home', 'at work', 'friend's house').
- If you were travelling, what was your mode of transport and the reason for travel (e.g. 'drive to supermarket', 'cycle to friend').

## Other people

- How many people were with you?
- If you are on your own, please write '0' or strike out with a line. Try not to leave this column blank.
- You do not have to be doing things together. This is about others who are 'around'.

## **Enjoyment**

- How much did you enjoy this time?
- The smiley face stands for 'I enjoyed this time very much'
- The sad face means 'I did not enjoy this time at all'
- The middle is 'neutral'
- You can put a cross in any of the 5 spaces
- Draw a line from one activity to the next if you like. You can even draw changing levels of enjoyment within one activity.
